ST. MARK'S GOSPEL IN THE DIALECT OF THE
MACKENZIE RIVER ESKIMO.

TENTATIVE EDITION.

This version has been adapted to the use of the "Copper" Eskimo of Coronation Gulf by means of interlinear renderings printed in smaller type. These Eskimo should read the lower line of the alternative renderings, and, in addition, always pronounce the letter *s* as *h*, and change the final *t* of all plural nouns or verbs to *n*; *e.g.*, in verse 1 of chapter i. "tussanaktut" should be read as "tussanaktun."
